- Participants: Group
- Venue: Smart Class
- Fees: ₹100 per Team
- Main Co-ordinator: Dr. Tripti Sharma
- Faculty: Akash Rai

□ Rules & Regulations:

- Specific amount given to students.
- Offer a limited set of investment sectors reflecting real markets
- Minimum 3 maximum 5 students allowed in a Group
- Set a specific time frame for the game
- Laptop is Mandatory
- PPT Presentation is Mandatory
- Judges' decisions are final.

□ Rounds:

- ROUND 1:

Round 1: Strategic Allocation (30 minutes)

- **Introduction (5 minutes):** Briefly explain the activity's goals, sectors, and timeframe.
- **Individual Research (25 minutes):** Students individually research each sector using provided information sheets, focusing on investment opportunities, current trends, and potential risks.

Round 2: Presentation (60 minutes)

1. **Presentations (45 minutes):** Each team (or individual) presents their budget allocation strategy and key investment choices in a clear and concise presentation. Encourage the use of visuals and data to support their arguments.
2. **Question and Answer (5 minutes):** Teams answer questions from other participants and the instructor, defending their choices and clarifying their approach.
