

❖ Event: Webify

This Web Designing competition features three rounds that will put your coding and creativity skills to the test. Design a stunning webpage using HTML, CSS, JavaScript and PHP.

❖ Participants: Solo/Group of 2 members

❖ Venue: D-Block

❖ Fees: ₹25 per person

❖ Main Co-ordinator: Krish Panchani

❖ Faculty: Prof. Archana Jethava

❖ Rules & Regulations:

- All participants must adhere to respectful and professional conduct throughout the event.
- Organizers reserve the right to disqualify any participant for violating the rules or exhibiting disruptive behaviour.
- Time limits: Strict time limits will be enforced for designing.
- Students are allowed to bring their laptop with them.
- Participants should ensure that their webpage is responsive and works well on various screen sizes.
- Webpage should be compatible with major browsers (Chrome, Firefox, Safari, etc.).
- The participants have to make the design from scratch at the venue, no pre-made designs allowed.
- Participants caught cheating will be disqualified from the competition.
- **Judges' decisions are final.**

❖ Rounds:

- Round 1 - HTML and CSS:

Design a stunning static webpage within the given theme using HTML and CSS. Show off your knack for visual aesthetics and responsive design. Remember, no external resources allowed. Top participants will be selected to appear for round 2.

- Round 2 - JavaScript:

Enhance your webpage with dynamic elements using JavaScript. Add interactivity, smooth transitions, and error-free functionality. Selected participants will appear in round 3.

- Round 3 - PHP Connection Establishment:

Participants will take their designs to the next level by integrating PHP to establish a database connection. Retrieve or manipulate data, implement security measures, and introduce user authentication. Winners will be rewarded.
